

# Combinations

## The Olivia Tremor Control

I, I saw you there, wanted you there  
I, I knew that it was best for me  
You brought me back to that place  
In my heart I thought was gone Oh so long, I was unhappy now it's gone  
And I'm moving on, moving on  
Moving on, I'm moving on I went for so long and I was so wrong  
And then I met you  
And now I can't live without you  
And I don't want to  
I've done that all my life up till now Pass the evening, bring tomorrow  
How could we know that night  
Would bring us into daylight Combinations all around us  
Fill our heads with the love  
We've been feeling for time long past I went for so long and I was so wrong  
And then I met you  
And now I can't live without you  
And I don't want to  
I've done that all my life up till now All the time, darling now  
Oh, all the time  
Now we'll have to make it up  
We'll make it up Oh, all the days, darling now  
Oh, all the days  
Now we'll have to make them up  
We'll make them up somehow  
We'll make them up I went for so long and I was so wrong  
And then I met you  
And now I can't live without you  
And I don't want to  
I've done that all my life I went for so long and I was so wrong  
And then I met you  
And now I can't live without you  
And I don't want to  
I've done that all my life up till now
