You (Ha Ha Ha) [Instrumental]

Charli XCX

Yeah we got a situation
Locked down and we're trapped in the basement
I'm a victim of pro-placement
'Cause you act and sound level
Trying to pull across your statement
Oh, oh
Because I know, you're strong though
Jump when you see love growYou, you lied, ha ha ha ha, I was right
All alone, you're dumb,
You're dumb, you fucked it upBecause we used to be the cool kids
You were old school, I was on the new shit
We were addicted to the blueprint
But we threw it in the flame and now we're never gonna trace it
Oh, 'cause we used to be the cool kids
You were old school, I was on the new shit
We were addicted to the blueprint
But we threw it in the flame and now we're never gonna trace it
OhBecause I know, you're strong though
Jump when you see love growYou, you lied, ha ha ha ha, I was right
All alone, you're dumb
You're dumb, you fucked it upAnd now you're walking on your own
The rain falls down, I'm not answering my phone
I got to phase you out my zone
Hope you realize now that I'm never coming home
You were meant to be aloneYou, you lied, ha ha ha ha, I was right
Ha ha ha ha
All alone, you're dumb
You're dumb, you fucked it up
Ha ha ha haIt's the front
You're done, you're dumb, you fucked it up
