Female Vampire

Jenny Hval

Try and see it
Restless
I'm not there
Or not there yetBut if I'm coming
I must be whole enough
I found out my body
Innocent rest when I'm near you becomes amorance
I'm so tired
Of such activity
I must justify
My presence by being --I must keep a steady gaze
Keep a steady gait
And I may become someone else
Here it comes
Here it comes
Here it comesHere it comes
Here it comes
Here it comesIn the moment
Of confusion
I don't know what to say
And I hear myself askIt doesn't have to be me
Could've swap it in please
The part b is a subconsciousMy desire takes place
Anywhere everywhere
Everywhere
Here it comes
Here it comes
Here it comes
Here it comesHere it comes
Here it comes
Here it comes
