

Bounce 2 This

Montell Jordan

Montell's in the house
Oh, hey, yeah Another Friday night
Another honey sitting in my ride
Another lyrical flava from your 6'8" neighbor
Make ya wave your hands from side to side In '95 we did it
But this year I bring a new twist
They say I'm here to announce this song called the bounce
So everybody bounce to this (So right) It's so right (So nice)
Tell you I'll make you wanna bounce to this
(Yeah, bounce to this, bounce to this)
It's so right (So right)
And so nice (So nice)
I tell you I'll make you wanna bounce to this
(Yeah, bounce to this, bounce to this) Montell started bouncin' on ghetto neighborhood blocks
You see I'm vocally silent and that keeps my wallet so fat
I have to stuff my socks
My 'hood keeps getting bigger 'cause phat def jams I bring
And now the world is bouncin' while I do my thing I've been to parties across the USA
I've been to other countries
And I've made those people say
Bartender, ooh my cup is runnin' low
So pass the Alize and let the music play
And act like you know It's so right (So right)
It's so right (So nice)
And I'll make you wanna bounce to this
(Yeah, bounce to this, bounce to this)
It's alright (So right)
Kadance sing it (So nice)
I tell you I'll make you wanna bounce to this
(Yeah, bounce to this, bounce to this) It's alright (So right)
It's so nice (So nice)
And I'll make you wanna bounce to this
(Yeah, bounce to this, bounce to this)
It's alright (So right)
It's so nice (So nice)
I tell you I'll make you wanna bounce
(Yeah, bounce to this, bounce to this)
Make you wanna bounce I've been to parties across the USA
I've been to other countries

And I've made those people say
Bartender, ooh my cup is runnin' low
So pass the Alize and let the music play
And act like you know LA (Yeah) bounce to this (Come on baby)
Bounce to this (Yeah)
New York (Uh) bounce to this (Come on now)

And I've made those people say
