Ghost Town

Sarah Shook & the Devil

We were young one time
Sunsets over the Rhine
that we'll never see
like the vines in Napoli

It ain't here either

What your looking for ain't around
not in this ghost town mural scene
I searched myself only to find
peace of mind ain't in the cards for me

Well i ain't exactly like you
but i know me a thing or two
So when i see it in your eyes
I can't say that i'm surprised

It ain't here either

What your looking for ain't around
not in this ghost town mural scene
I searched myself only to find
peace of mind ain't in the cards for me

It ain't here either

I searched myself only to find
peace of mind ain't in the cards for me

it ain't here either
