The Promise (Re-Recorded)

When In Rome

If you need a friend
Don't look to a stranger
You know in the end
I'll always be thereAnd when you're in doubt
And when you're in danger
Take a look all around
And I'll be thereI'm sorry but I'm just thinking of the right words to say
(I promise you)
I know they don't sound the way I planned them to be
(I promise you)
But if you wait around a while I'll make you fall for me
(I promise you)
I promise, I promise you, I willWhen your day is through
And so is your temper
You know what to do
I'm gonna always be thereSometimes if I shout
It's not what's intended
These words just come out
With no cross to bearI'm sorry but I'm just thinking of the right words to say
(I promise you)
I know they don't sound the way I planned them to be
(I promise you)
But if you wait around a while I'll make you fall for me
(I promise you)
I promise, I promise youI'm sorry but I'm just thinking of the right words to say
(I promise you)
I know they don't sound the way I planned them to be
(I promise you)
And if I had to walk the world I'd make you fall for me
I promise you, I promise you I willGotta tell you
Need to tell you
Gotta tell you
I've gotta tell youI'm sorry but I'm just thinking of the right words to say
(I promise you)
I know they don't sound the way I planned them to be
(I promise you)
But if you wait around a while I'll make you fall for me
(I promise you)
I promise, I promise youI'm sorry but I'm just thinking of the right words to say

(I promise you)
I know they don't sound the way I planned them to be
(I promise you)
And if I had to walk the world I'd make you fall for me
I promise you, I promise you I will
I will, I will
