

Cabin By The Sea

The Dirty Heads

Well come with me to a place by the sea
If your ship breaks down you can always find me
and Dirty J chillin' underneath a shady tree
Our fans are always welcome with our friends and family
And if you wish you could stay, as long as you please
Just lend a helping hand to build our cabin by the sea
Where every day is beautiful the sun, the sand, the breeze
And everybody lives together here in harmony.
