

Ghost in the Wind

Birdy

Can someone tell me "who i am?"
I haven't recognized myself in a while.
And since you left i stay up every night,
thinking if you were here, you put me right.
I know i was stupid to let what we have go to waste,
why does everything i love always get taken away?
Ghost in the wind calling you to take me home,
ghost in the wind crying "Where do i belong?"
Can anyone hear me now x2
Ohhh ohhh x2Do you remember when we were young,
when i was terrified, you were by my side.
Now you're gone i have nowhere to run, no place that i belong, left burned in my search for love.I know i was
stupid to let what we have go to waste,
why does everything i love always get taken away?Ghost in the wind calling you to take me home,
ghost in the wind crying "Where do i belong?"
Can anyone hear me now x2I've been thinking about all the mess that i made,
Ohh, ohh, ohh,,
I've been thinking of you and the things that i said.
Ohh, ohh, ohh,,Never meant to lose you,
never meant to lose me.Ghost in the wind calling you to take me home,
ghost in the wind crying "Where do i belong?"
Can anyone hear me now x2
Never meant to lose me.Ghost in the wind calling you to take me home,
ghost in the wind crying "where do i belong?"
