Listen to Your Heart

Sonia

Can you see in my eyes
That I was keeping my feelings inside
Should I be telling everybody
I don't know what to do
Are there the signs to recognise
Or has someone been telling me lies
I should never let a rumour
Change my point of view
It's just that I'm afraid
That I could be falling in love too soon
Just listen to your heart
That's what they say
Listen to your heart
You'll be okay
Listen to your heart
Listen to your heart
Somewhere there's a truth
You can't deny
That life is too short for goodbye
If I always let my heart
Control what's in my mind
It's just that I'm afraid
Maybe one day of breaking this heart of mine
(Chorus)
Just listen to your heart
That's what they say
Listen to your heart
You'll be okay
Listen to your heart
Listen to your heart
Just listen to your heart
And you will find
All your hopes and fears
Will turn out fine
Listen to your heart
Listen to your heart
It's just that I'm afraid
That I could be falling in love too soon
Repeat Chorus to fade
