

# Creeping

## Bastardo

I can hear you sighin'  
Sayin' you'll stay beside me  
    Why must it be  
That you always creep...  
    Into my dreams  
    On the beach we're sittin'  
    Huggin', squeezin', kissin'  
    Why must it be  
That you always creep...  
    Into my dreams  
    In my dreams  
When I'm sleep at night babaa  
I feel those moments of ecstasy  
When you sleep at night babaa...  
I wonder do I creep into your dreams  
Or could it be I sleep alone in my fantasy  
    Oh, love is so amazing  
    Oh, oh, oh, ah, ah...  
    Guess you will be stayin'  
    So let it be  
    That you always creep...  
  
    Into my dreams  
    In my dreams  
When I'm sleep at night babaa  
I feel those moments of ecstasy  
When you sleep at night babaa...  
I wonder do I creep into your dreams  
Or could it be I sleep alone in my fantasy  
    Oh, love is so amazing  
    Oh, oh, oh, ah, ah...  
    Guess you will be stayin'  
    So let it be  
    That you always creep...  
    Into my dreams  
    In my dreams  
    In my dreams  
    In my dreams  
    In my dreams

In my dreams  
In my dreams  
In my dreams  
In my dreams
