I'm so Lonesome I Could Cry

Hank Williams, Jr.

Did you hear that lonesome whipperwill?
He sounds too blue to fly
The midnight train is whining low
I'm so lonesome I could cryI've never seen a night so long
When time goes crawling by
The moon just went behind a cloud
To hide its face and cryDid you ever see a robin weep
When leaves began to die?
That means he's lost the will to live
I'm so lonesome I could cryThe silence of a falling star
Lights up a purple sky
And as I wonder where you are
I'm so lonesome I could cry
