Getting There Is Getting By

Punchline

I'm going to get there
You're going to see me
You're going to say that so much has changed
In a year now,
I'll rise above and I'll see you at the...topEveryone has changed.AOA....are you okay?
Are your breathing patterns on time?
Did you wake up in the morning breathing fire
And stumble out of bed like thoughts into your head?Tie me here in time
I think I'm doing alright
And kind of getting byEveryone has changed.KOA...are you AOK?
Was yesterday the best day of your life?
Only beating out the day before that?Are you afraid of, the world you've created?Tie me here in time
I think I'm doing alright
And kind of getting byMake tonight my life
I think I'm doing alright
I guessWho do you turn to?
When you don't know what you've turned into?
You will find the hardest part sometimesAnd everyone has changed.Who do you turn to?
When you don't know what you've turned into?You won't find it this time.
Maybe it was meI'm going to get there
You're going to see me
You're going to say that so much has changed
In a year now,
I'll rise above and I'll see you at the...topEveryone has changed
See these circles under my eyes,
think of them as a part of my disquise
Is getting there getting by?Everyone has changed.
Everyone has changed.
Everyone has changed.
Everyone has changed.Tie me here in time
I think I'm doing alright
And kind of getting byMake tonight my life
I think I'm doing alright
And kind of getting byTie me here in time
I think I'm doing alright
And kind of getting byMake tonight my life
I think I'm doing alright
And kind of getting by
