I Got It Bad

Toby Keith

I got it bad, I got it blue
I got it sad, I ain't got you
I did you wrong, you got the right
Look what I had, I got it badGone and left me lonely cryin' like a fool
I just can't believe love could be so cruelI got it bad, I got it blue
I got it sad, I ain't got you
I did you wrong, you've got the right
Look what I had, I got it badI know someday I'll get on my feet again
I'll get over you but baby until thenI got it bad, I got it blue
I got it sad, I ain't got you
I did you wrong, you got the right
Look what I had, I got it badLook what I had, I got it bad
