

Dying for Your Love (feat. James Fauntleroy)

Frank Ocean

[Verse 1]:

Do you remember, That October night
The twenty ninth, I almost lost my life
Call myself being a hero trying to guard your heart
No matter how hard I fought, it was over before it started..

I thought that we were[Pre Hook]:

On the same side of the battle

Oh, I'm on the front line of disaster

Now it all makes sense, I've put it together

I guess what we have doesn't matter..[Hook]:

You have me dying every night , just because

You got me fighting every night, to prove my love

We never giving up from fighting in the club

I'm dying for your love, I don't know what you want

You got me fighting every night..to prove my love[Verse 2]:

All I ever did was just try to play my part

Try to be the man who would not let you get taken advantage of

But you let it go on, and every time I see you with him

I wanna crack his dome (T-tell me that I'm wrong)

But I thought we were[Hook]:

On the same side of the battle

Oh, I'm on the front line of disaster

Now it all makes sense, I've put it together

Guess what we have doesn't matter..[Hook]:

You have me dying every night , just because

You got me fighting every night, to prove my love

We never giving up from fighting in the club

I'm dying for your love I don't know what you want

You got me fighting every night..to prove my love[Bridge]:

You have me dying...

Fighting...every night

Dying....

Fighting...every night[Hook][Outro]:

On the same side of the battle, oh....
