

Blind

Dave Hollister

You'd rather see a whole pile of money
Burn to sky, 10s and 5s and larger
You'd rather stay straight until the sun, the evening sun
And to see, see the woman you love wave goodbye,
Yeah, yeah
You'd rather see a whole pound of good, good dream, I mean
You'd confiscate the live on channel 5
Look away, look away, brother you'd rather be Blind!
Rather see the binds on your [?] things then to see
She was covering for another man's price
And you rather the chicken that you've started dealing with
[?] surprise is two thin lines
You'd rather see hell then see yourself moving out
While she's moving in at the same time
Look away, look away, brother you'd rather be Blind! Nothing sadder than the man that had the world in his
hands
Couldn't stop playing, let it all slip out of his grasp
Ain't nothing worst then going in reverse
Nothing seems to work, she don't wanna work it out no more
You crashy laps
And you can't even sleep, you won't shave,
Headed to an early grave
I'm telling you, telling you my brother
That's an ugly sight
Look away, look away, you'd rather be Blind! You'd rather stand on the edge of a ledge
Than to look up and see she's packing up and
She's leaving town
And you'd rather catch a flag where the thieves and killers add
Than to see her heading down
When you're ready to settle down
You might as well be invisible when she tunes you out
'Cause even when you shout, she's paying you no never mind
Look away, yeah, brother you'd rather be Blind! Nothing sadder than the man that had the world in his hands
Couldn't stop playing, let it all slip out of his grasp
Ain't nothing worst then going in reverse
Nothing seems to work, she don't wanna work it out no more
You crashy laps
And you can't even sleep, you won't shave,
Headed to an early grave

I'm telling you, telling you my brother
That's an ugly sight
Look away, look away, you'd rather be Blind!
