

# Slide on Me (feat. Alex G)

## Frank Ocean

[Intro]

I've been running all year

I wish God [?]

I can't see, so cloudy

Sometimes it rain

You still behind like asses

You ain't got no words for [?]

Wrong side of average[Chorus]

And when you slide on me, you slide on me

You slide off [?] side, yeah-yeah

Cause a freak slide on me

First time's on me

Next time gon' be oh, yeah-yeah

[Verse 1]

For your mentality

You play ball, you run 5 on 5 at least 3 times a week

Live parked down the street

Waitin' on you to tie every time with Victor key

Play so savagely

Always fighting with them you grew up with

When you lose you don't cry but you lowkey sad to see

If we cut like some champions you'll redeem yourself

You'll sleep happily, uh-haha, smiling

I'm still working while your dream pop

I can never let a scene stop stylin' on me

I don't think they get the point pop

They forgettin' that it's me

Akhi tell 'em I ain't goin', wallahi

I'm just all day running numbers

How the fuck you think I live?

Too many hands waitin' for my downfall

They're like somethings gotta give

Boys in the hood'll give me updates like they know the weather

If you ain't in the streets you can't see the sky in my hair

I can see the sky[Chorus]

And when you slide on me, you slide on me

You slide on both sides, yeah-yeah

And when you slide on me, you slide on me

Both sides on me, oh, yeah-yeah[Outro]

This is for when you change your mind and slide back this way  
You'll be being yourself  
I can never let a see stop stylin' on me  
This is for the night set backs won't let that much fade  
Guess you can't blame no one you choose blah-blah  
Blah, blah, blah, blah  
Blah, blah, blah, blah  
Things I pain worthless
