# Just a Feeling

## Charlie Musselwhite

Just a feelin'
Feelin' I had on my mind
Just a feeling
Feelin' I had in my mind
Lay down dreamin'
I woke up this morning screamin' and cryin'Just a dream
Dream I dreamed last night
Just a dream
Dream I dreamed last night
I do everything to try to please you
Still I ain't doin' it rightJust another pain
Really it hurts so bad
Just another pain
Really it hurts so bad
Got the funniest feelin'
A man most ever hadBlack night is fallin'
My pains is comin' down again
Deep black night is fallin'
The pains is comin' down again
I feel so sorry
People, I ain't got no friend
