

Kiss Kiss Goodbye

[Nicky Valentine](#)

Everyday i was with you
Always hearing the same thing from you
But baby now i know the truth
So please don't call me
Don't follow me I don't wanna love you
I don't wanna need you
I don't wanna be with you tonight
You're saying that you love me
Now that i am leaving
Please don't waste my time
Kiss kiss goodbye Cause now baby i've made my mind
So don't come and say you wanna try
I won't be the second choice for you
Goodbye baby, i got over you
I got over you
