Never Let Me Go

Carolyn Lee Jones

Just let me love you tonight
Forget about tomorrow
My darling, won't you hold me tight
And never let me go?
Dry your eyes
No tears, no sorrow
Cling to me with all your might
And never let me go
A million times or more
We said we'd never part
But lately I find
You're a stranger, stranger in my heart
Give me the right
In summer or in spring time
To tell the world you are mine
And you will never let me go
And never let me go
