

# I Don't Mind

Gilbert O'Sullivan

I don't mind you calling round on me  
Cos I like your company  
Anytime you want to baby Please don't feel obliged to telephone  
Call in any time your  
Lonely and in need of someone  
To love and comfort you  
I promise to Faithfully do  
Just that and much more if you let me  
Cos I love you. Cos I like your company  
Anytime you want to baby  
Please don't feel obliged to telephone  
Call in any time your  
Lonely and in need of someone  
to love and comfort you  
I promise to  
Faithfully do  
Just that and much more if you let me  
Cos I don't mind you calling round on me  
Cos I like your company  
Anytime you want to baby
