Survival Tactics

Joey Bada$$

[Intro]
It's either, them or you
It's sort of like, survival you know. Survival of the fittest you know
You do what you do to stay alive[Verse 1: Joey]
Niggas don't want war
I'm a martian with an army of spartans
Sparring with a knife in a missile fight
Get your intel right, your intelligence is irrelevant
But it's definite I spit more than speech impediments
Brooklyn's the residence, the best and it's evident
We got them niggas P-E-Nuts, like they elephants
Throw 'em in a trunk if they hate though
We don't give a fuck as long as we collect our pay, so
Ya'll collect pesos, ya money ain't right here
I got them girls next to the wood like they lightyear, I'm right chea
Tryna get a buzz, tryna pollinate
STEEZ got that presidential shit out to inaugurate
My P.E conglomerates bout to P-E-E on any wanna B-E, weak MC
Air 'em out to leave 'em empty congratulate the semi-auto
Fire flame spitter like komodo
No time for fake people, they be simmin' like Kimora
I'm the empor-ah in search of the adora, my heart go:
Ba boom Ba boom Ba boom boom Ba boom
It's panic like Dora when shots blast
See I was raised that way, I'm from the place where they raise that K
Like every day in every way and every where you go, just ain't safe
The only thing that I can say, to you is pray
Cause when niggas start equippin'
And throw the clip in
Your blood drippin'
And got you slippin'
Another victim
Don't know whats hit them, through his spinal
Just another man who defeated by survival
That's your biggest rival, in your whole life
These bars you can't handle you better hold tight
They sayin' I'm the best, I'm like you're so right
Still ain't got enough shine to last the whole night, nigga[Interlude]
Yo, fuck the police nigga

Fuck every ass corrupt politician on Wall Street
P.E, Public Enemy, Assassinate us, bitch
Fuck that, fuck everything son
Fuck government, Fuck, listenin' and shitYou want fuckin' energy? Dickheads
