

(somebody Else Been) Shakin' Your Tree

Zz Top

Well, I'm tryin', yes I'm tryin just to get a line on you
Where you been?
But I'm havin' trouble puttin' a find on you
I'm wearin' thin
Somebody else been shaking your tree
Supposed to saving all that stuff for me
You been hidin', yes your're hidin', you been stayin' out on me
Sneakin' 'round
Me and you ain't workin' out just like we oughta be
You've got me down

Somebody else been shaking your tree
Supposed to be saving all that stuff for me
I'm tired of foolin' around with you, and sittin' here alone
It's on my mind
I think it's time for me to find a new tree of my own
It's plantin' time
Anything you wanna do is cool with me
I don't care who shakes your tree
