Running with the Night (Undubbed Version)

Lionel Richie

The heart of the city street was beating
Light from the neons turned the dark to day
We were too hot to think of sleeping
We had to get out before the magic got awayWe were running with the night
Playing in the shadows
Just you and I, till the morning light
(We were running, running with the night) ohYou were looking so good girl, heads were turning
You and me on the town, ooh, we let it all hang out
The fire was in us, we were burning
We were gonna go all the way and we never had a doubtWe were running with the night
Playing in the shadows
Just you and I, till the morning light
(We were running, running with the night) ohWe were so in love, you and me
On the boulevard wild and free
Giving all we got, we laid it down
Taking every shot, we took the townWe were running with the night
Playing in the shadows
Just you and I and it was so right
Girl, it was so right
