What You Wanted

How to Dress Well

Our sad eyes they don't keep me alive
Not like they used to
Not like they used to
And your cold feet they wont find their way to me
It's not like you want them to
It's not like you want them to
And your big heart, it won't tear me apart
Not like it used to
Not like it used to

Its all about
It's all about
It's all about
It"s all about
What you wanted
Am I what you wanted?

Your cold hands, are they gonna catch me if you can?
Its not like you want them to
Its not like you want them to
And your long legs, they could carry you to me
Its not like you want them to
Its not like you want th
Its all about
Its all about
Its all about
Its all about
What you wanted
Am I what you wanted?

It's all about you
It's all about you
It's always about you
It's always about you
Its all about
It's all about
What you wanted

Am I what you wanted?
Am I what you wanted?

Am I what you wanted?
Am I what you wanted?
Am I what you wanted?
Am I what you wanted?
Am I what you wanted?
Am I what you wanted?

Oh, my love
