Even The Losers

Tom Petty

Well, it was nearly all summer we sat on your roof
Yeah, we smoked cigarettes and we stared at the moon
And I'd show you stars you never could see
Baby, it couldn't have been that easy to forget about meBaby, time meant nothing, anything seemed real
Yeah, you could kiss like fire and you made me feel
Like every word you said was meant to be
No, it couldn't have been that easy to forget about meBaby, even the losers get lucky sometimes
Even the losers keep a little bit of pride
They get lucky sometimesTwo cars parked on the overpass
Rocks hit the water like broken glass
I should have known right then it was too good to last
God, it's such a drag when you're livin' in the pastBaby, even the losers get lucky sometimes
Even the losers keep a little bit of pride
They get lucky sometimesBaby, even the losers get lucky sometimes
Even the losers keep a little bit of pride
Yeah, they get lucky sometimesBaby, even the losers get lucky sometimes
Even the losers get lucky sometimes, oh, oh, ohEven the losers get lucky sometimes
