

For the Low

Berner

[Intro: DJ Motor Mane]

Yea, we out in Cali

We gon' take you to the Bay Area real quick

My man Berner, smoking good weed

Counting that cash, you already know[Verse 1]

When I get drunk around the bitch I get to preaching

Without some money or some smoke I get to tweaking

I party all weekend, and I don't ever sleep

I get up and get to straight to the garden and set seeds

Taking bout cash I need a big brown bag

I got bitches that'll get big money that wanna strip for me

Gold chain big tummy and my click hungry

30 round clip, they ain't taking shit from me

I'm a Bay Area boy, she wanna marry ya boy

She need to pay me some more

I been all around the world like Biggie

My OG's pop seeds they got in the 60's

The F1 Durb got the club all pussy

They got money on my head come and get me

Shout out to the Dogg, we be high, burning Lemon

I'm Taylor Gang repping I been on since '07

[Chorus]

Yea, we blow dope money

I got pretty blonde girls that'll hoe for me

I got land in the hills, we get money for reals

Yea, I still got it for the low homie

Yea, we spend blow money

I was all around the city getting hoe money

I got land in the hills we get money for reals

Yea, I still got it for the low homie[Verse 2]

I got it for the low, if they hate Big Bern' they got to go

I was only 16 when I learned how to grow

It ain't nothing like the weed game, baby

Dawg these renegade bitches better, pay me

I'm on the 80 doing 80

They say I'm crazy I'm just grumpy at times, when the pills get me lazy

Lemonade tasty, yea I'm Max B wavy

I ain't flexed yet, I just burned 380 on jewels

And a big blue pool I'm old school

I don't talk on the phone, I just know how to move
Dog they don't touch work they just front on the net
I keep talking on the burner catch one to the neck
Bay boy, real 'Frisco shit
We get money off the girl you tryna kiss that bitch
And I ain't even trying let em lie
On my name brought that one that play with fire(?) [Chorus]
Yea, we blow dope money
I got pretty blonde girls that'll hoe for me
I got land in the hills, we get money for reals
Yea, I still got it for the low homie
Yea, we spend blow money
I was all around the city getting hoe money
I got land in the hills we get money for reals
Yea, I still got it for the low homie [Outro: Berner]
You know I still move around, you know what I'm talking bout
People talking bout I changed, psh
Still doing the same thing man, picking up paper bags, man
380K, you know what I'm talking bout, blowing big money everyday
Wiz whats up boy, haha, all the suckers tho
Tried to tell em, 2016
We riding whips looking real clean, yeah [Chorus]
Yea, we blow dope money
I got pretty blonde girls that'll hoe for me
I got land in the hills, we get money for reals
Yea, I still got it for the low homie
Yea, we spend blow money
I was all around the city getting hoe money
I got land in the hills we get money for reals
Yea, I still got it for the low homie
