

Hate to Love You

Karmin

I'm just a prisoner of Love
You got me lip locked by used gum
Ohohohh

If I escaped too I would be lost
Just don't bail me out babe I'll pay cost
Ohohohh

Aw See it ain't that funny spent my money
Sweet as a felon
Ain't you hunny
I can here the gripes
But I ain't wearin stripes
Look up at the stars
But I gotta think twice

Ohohhoh

All of the fighting

Ohohhoh

Keeps it excitin
I'm doin' time but I don't mind
I'll be just fine
Sometime I just hate to love you
I'm doin' time but I don't mind
I'll be just fine
Sometime I just hate to love you
Ohoh uh oh
Ohoh uh oh
Ohoh uh oh
OHHHHHHHH
I'm doin' time
It's a real fight
But its all right
Sometime I just hate to love you

You got me up a treating me cold
I though the key out a long time ago
Ohohohh

If you release me I wouldn't leave

No

So don't feed me poison I gotta eat

Ohohohh

OHH

Me and my cell mate

Are planing our escape

Tell me when your ready

And we can storm the front gate

Who are the jail people

Real deep sleeper

No big deal just misdemeanor

Ohohohh

All of the fighting

Ohohohh

Keeps it excitin

I'm doin' time but I don't mind

I'll be just fine

Sometime I just hate to love you

I'm doin' time but I don't mind

I'll be just fine

Sometime I just hate to love you

Ohoh uh oh

Ohoh uh oh

Ohoh uh oh

OHHHHHHHH

I'm doin' time

It's a real fight

But it's all right

Sometime I just hate to love you

See I don't need the bars to lock me in

You can let your guard down till the end

Forever doesn't have to know for night

And that's why

I'm doin' time but I don't mind

I'll be just fine

I'm doin' time but I don't mind

I'll be just fine

Sometime I just hate to love you

I'm doin' time but I don't mind

I'll be just fine
Sometime I just hate to love you
I'm doin' time but I don't mind
I'll be just fine
Sometime I just hate to love you
Ohoh uh oh
Ohoh uh oh
Ohoh uh oh
OHHHHHHHH
I'm doin' time
It's a real fight
But its all right
Sometime I just hate to love you
