

# Johnny Quest Thinks Were Sellouts

## Less Than Jake

Well I  
Really don't know  
If it matters at all so,  
But we try to keep our prices low  
For records and our shows  
But is that enough,  
Or is it that we're not punk enough,  
Or it that you think ska just sucks,  
But Johnny Quest, he thinks we're what?  
Johnny Quest thinks we're sellouts
