

# Project Bitch

## Lil Wayne

This is for Deshawn, Eshlawn, Lil Mama, an her friends

Lisa, Teresa, Maria, Tia, Lia and Kim

I love y'all broads, no disrespect to my dogs

But I love y'all broads, yeah I love y'all broads

To the ladies havin' babies without no drama

To my niggas with figgas say I love my baby momma

I bought them shoes, them tattoos, an' even fixed yo breasts

I put you inside the flyest rides an even put a "S" on yo' chest  
This is for the ones who wobbled it an be puttin'  
they mouth on it

An' they suck everything out of it then they catch it and swallow it

I'm Lil Weezy for sheezy, I'm off the heezy believe me

See me, I squeeze in between it, and then I leave it so greasy

When I come through in a Rolls Royce, leave them with no choice

But to hop up in it an just let me make they throat moist

Ruby red an vodka it just carry a nigga

Give me three minutes maybe four she be wantin' to marry a nigga  
Give me a project bitch

Give me a hoodrat chick

One that don't give a fuck

An' say she took that dick

Give me a project bitch

Give me a hoodrat chick

One that don't give a fuck

An' say she took that dick  
My momma send me by my grandma, my grandma flipped out

An' said we ain't gone have no evil in this house

So I rolled out scored me an ounce sold out

But I fucked up when I started livin' up in this hoes house

Nigga started fuckin' one of the broads

'Cause she was suckin' a nigga dick so good keepin' it hard

Lettin' a nigga cum all over her chest and tongue

She was stealin', I spared her because her children  
She was a hoe she gave me head behind a building

Ain't sellin' records but her mouth could sell a million

If you wanna take it there we can break it off

'Cause y'all pussy ain't gotta nigga tweakin' at all

I slang this dick summer winter spring an the fall

Ask me to lay it down I'm bringin' it all

I'm tryin' to hit ya from the back 'til ya holla

"Good Lord, this motherfuckin' dick good and it always be hard"  
Give me a project bitch

Give me a hoodrat chick

One that don't give a fuck

An' say she took that dickLook a nigga could catch me r'd up  
Them white folks know the code so we g'd up  
An' my range rover 4 door be d'd up  
Tattoos and new cars and these project cuts  
Got this nigga bitch I know been wantin' to fuck
