

# City Bird

## of Montreal

City bird haven't you heard  
Hasn't anybody told you?  
These city blocks can't hold you  
Your place is in the sky how can I show you?

City bird haven't you learned  
Of the boundlessness of your freedom  
The sky is your blue kingdom  
You neglect your wings like you don't need them

City bird maybe these hands that feed you need you  
Maybe you understand that city bird
