

# For Once In My Life (with Stevie Wonder)

**Tony Bennett**

For once in my life I have someone, who needs me  
Someone I've needed so long  
For once unafraid I can go where life leads me and somehow I know I'll be strong  
For once I can touch what my  
heart used to dream of long before  
I knew someone warm like you  
Who have made my dreams come true  
For once in my life I won't let sorrow hurt me  
Not like it's hurt me before  
For once I have someone I know won't desert me  
I'm not alone anymore  
For once I can say this is mine you can't take it  
As long as I know I have love I can make it  
For once in my life I have someone who needs me  
For once I can say this is mine you can't take it  
As long as I know I have love I can make it  
For once in my life I have someone who needs me
