Questions 67 & 68 (JVE Remix)

Chicago

Can this feeling that we have together
Ooh, suddenly exist between?
Did this meeting of our minds together
Ooh, happen just today, some way?I'd like to know
Can you tell me? Please don't tell me
It really doesn't matter anyhow
It's just that the thought of us so happy
Appears in my mind as a beautifully mysterious thingWas your image in my mind so deeply
Ooh, other faces fade away
Blocking memories of unhappy hours
Ooh, leavin' just a burnin' loveI'd like to know
Can you tell me? Please don't tell me
It really doesn't matter anyhow
It's just that the thought of us so happy
Appears in my mind as a beautifully mysterious thing
Yes, it does now, babyCan this lovin' we have found within us
Ooh, suddenly exist between?
Did we somehow try to make it happen
Ooh, was it just a natural thing?I'd like to know
Can you tell me? Please don't tell me
It really doesn't matter anyhow
It's just that the thought of us so happy
Appears in my mind as a beautifully mysterious thing
Yes, it does now, babyQuestions 67 and 68
