

Running

Menomena

it's safe to say i'm walking a lot
it's safe to say i'm thinner
it's safe to say if we don't find food soon
we won't make it through winter
i'm walking, i'm running, i'm picking up steam
i'm threatening to explode
i'm going to make it, we're going to make it
before the cows come home
before the cows come through
before the cows come through

it's safe to say i'm walking a lot
it's safe to say i'm thinner
it's safe to say if we don't find food soon
we won't make it through winter
