

You Done My Brain In

Bonzo Dog Band

I have personally won over...
Well
Lookin' like a muscle man
You crawled out from the swamp
Slimy, wild, you honey child
Give me your hump You done my brain in
Whahh!
You done my brain in
Right in
And I just can't handle it
Wooo!
You done my brain in! Hallelujah!
Don't kiss me with your silver lip
Don't kiss me with your eye
For god's sake, gimme a break
Let me crawl away and die You done my brain in
Whaah!
You done my brain in
Right in
And I just can't handle it
Whaah!
