

# Lovelight (West Coast Version)

Lewis Taylor

(Did it again)What am I supposed to do  
To keep from goin' under?  
Now you're making holes in my heart  
And yes it's starting to show  
I've been holding back  
Is it any wonder?  
Since you walked right into my life  
And interrupted my flow[Chorus]  
And I wanna know  
Baby when you're with me  
Who do you think you're fooling?  
Making me feel so sure  
Turnin' your love light down again  
Why don't you let me be?  
You don't know what you're doing  
Making me feel so sure  
Turning your love light down again(Did it again, did it again)Baby I've got to know  
Are we gonna make it?  
Laying down beside me tonight  
Do whatever you feel  
Baby you're in control  
Where you gonna take it?  
Don't you think that I do you right?  
You know darn well that I will[Chorus]Baby you turn the lovelight down  
And I don't know  
Just how long I can stick around  
Girl I need more  
And it ain't just easy girl  
But I don't know what I can do  
Cause I found  
It ain't love this time aroundKeep turning down your lovelight  
Did it again
