Ass Back Home

SECRETS

I don't know, where you're going
Or when you're coming home
I left the keys under the mat to our front door
For one more chance to hold you close
I don't know, where you're going
Just get your ass back homeWe both knew this type of life didn't come with instructions
So I'm trying to do my best to make something out of nothing
And sometimes it gets downright shitty in fact
When you call and I don't even know what city I'm at
Or what day of the week in the middle of the month
In a year I don't recall
It's like my life's on repeat and the last time we spoke
I told you I wouldn't be long, yeah
That was last November, now December's almost gone
I'd apologize but I don't realize what I'm doing wrongI don't know, where you're going
Or when you're coming home
I left the keys under the mat to our front door
For one more chance to hold you close
I don't know, where you're going
Just get your ass back homeAnd you've been nothing but amazing
And I never take that for granted
Half of these birds would have flew the coop
But you, you truly understand it
And the fact you stood beside me
Every time you heard some bogusness
You deserve a standing o 'cause they'd a just been over it
Let 'em talk, let 'em talk, let 'em talk, let 'em talk
Like we don't hear what they saying
Let 'em walk, let 'em walk, let 'em walk, let 'em walk
We'll just drive by and keep waving
'Cause you and I above all that
Just let them wallow in it
Now they all choked up, yuck
'Cause they be swallowing itI don't know, where you're going
Or when you're coming home
I left the keys under the mat to our front door
For one more chance to hold you close
I don't know, where you're going
Just get your ass back homeI don't care what you're after

As long as I'm the one, no
I don't care why you're leaving
You'll miss me when you're goneDon't forget me
When I come back, I don't know
Don't forget me
When I come back homeI don't know, where you're going
Or when you're coming home
I left the keys under the mat to our front door
For one more chance to hold you close
I don't know, where you're going
Just get your ass back home
