Picnic In The Sky (Bonus)

Pop Will Eat Itself

one long day
its all we need and its all we get
the world you'll find
is not existent in your mind
and we'll go our way
there's a place where we can go
I will take you there
I will take you there
one lone day
is all we need and its all we get
and when night comes
we'll pack our bags and run away
to the room upstairs
it's a secret hideaway
I will take you there
I will take you there
all our friends are waiting there
blowing life without a care
there's a picnic in the sky
jesus shoots up he'd getting higher
hi-i-i-gher
