

# Teacher (Young Bombs Remix)

Nick Jonas

Right when I think I've finally got you figured out  
You turn around and blow my mind  
So frustrated, girl you make me wanna shout  
And it's only just the start of the night And I'm like, oh my, oh my, oh my, oh my God  
Oh my, oh my, oh my, oh my God Why you do me wrong  
Why you do me wrong  
When you wear that dress  
Oh, my heart just can't take it anymore  
Why you do me wrong  
Why you do me wrong  
When you act like this  
It's like your mama never taught you how to love So let me teach you Take on step forward then we take a  
couple back  
But you know I'm gonna keep up the pace  
This game we're playing make me wanna break the rules  
Can't let you get away from me, and I'm like Oh my, oh my, oh my, oh my God (oh my God)  
Oh my, oh my, oh my, oh my God Yeah why you do me wrong  
Why you do me wrong  
When you wear that dress  
Oh, my heart just can't take it anymore  
Why you do me wrong  
Why you do me wrong  
When you act like this  
It's like your mama never taught you how to love So let me teach you Dance with that body, girl  
'Cause everybody here is wanting that body, girl  
Dance with that body, girl  
'Cause everybody here is wanting that body, girl Why you do me wrong  
Why you do me wrong  
When you wear that dress  
Oh, my heart just can't take it anymore  
Why you do me wrong  
Why you do me wrong  
When you act like this  
It's like your mama never taught you how to love Why you do me wrong  
Why you do me wrong (why you do me)  
When you wear that dress  
Oh, my heart just can't take it anymore  
Why you do me wrong  
Why you do me wrong

When you act like this  
It's like your mama never taught you how to love So let me teach you  
So let me teach you
