

Here to Stay

Korn

This time taking it away I've got a problem
With me getting in the way my final sign
So I take my face and bash it into a mirror
I won't have to see the pain, bleed bleed This state is elevating as the hurt turns into hating
Anticipating all the fucked up feelings again The hurt inside is fading this shit's gone way to far
All this time I've been waiting oh, I cannot grieve anymore
For what's inside awaking my God I'm not a whore
You've taken everything and oh, I cannot give anymore My mind's done with this okay I've got a question
Can I throw it all away? Take back what's mine?
So I take my time guiding the blade down the line
Each cut closer to the vain, bleed, bleed This state is elevating as the hurt turns into hating
Anticipating all the fucked up feelings again The hurt inside is fading this shit's gone way to far
All this time I've been waiting oh I cannot grieve anymore
For what's inside awaking I'm God I'm not a whore
You've taken everything and oh, I can not give anymore I'm here to stay
(Bring me down)
I'm here to stay
(Bring me down)
I'm here to stay
(Bring me down)
I'm here to stay Bring it down
Bring it down
Bring it down
Bring it down Gonna break it down, gonna break it down
Gonna break it down, gonna break it down
Gonna break it down, gonna break it down
Gonna break it down, gonna break it This state is elevating as the hurt turns into hating
Anticipating all the fucked up feelings again The hurt inside is fading this shit's gone way to far
All this time I've been waiting oh, I cannot grieve anymore
For what's inside awaking I'm God I'm not a whore
You've taken everything and oh, I cannot give anymore Give anymore
Give anymore
Give anymore
Give anymore
