Time After Time

Elliot Minor

Another day, waking to the same old beat,
Counting doors, walking through the same old street.
Breathing in, breathing out the same
Nothings changed, just imitating yesterday.
Count down, all the oppertunities,
It's down to one, now everything is falling on me.
Alarm bells, are warning me to do something soon,
Get away, I've got to get away.

I hear the sound of something new.
Give me the key to unlock you.

Time after time, and nothing has changed.
Time after time, and we're still the same.
Day after day, and nothing has changed.
And now I feel, like I'm gonna break.
'Cause I just cannot wait, to repeat yesterday.

It's just a game, where you're a boss and I'm just a slave,
You trap me in, and I just play to entertain.
And nothing more, so make a move and I'll be okay,
I try my best, but all you do is laugh in my face.
A gunshot, will wake you up in the night,
You better run, or you will end up seeing the light.
My heart beat, is wanting me to do something soon,
Get away, I've got to get away.

I hear the sound of something new, (something new).
Give me the key to unlock you.

Time after time, and nothing has changed.
Time after time, and we're still the same.
Day after day, and nothing has changed.
And now I feel, like I'm gonna break.
'Cause I just cannot wait, to repeat yesterday.

I hear the sound of something new,
I hear the sound of something new,
Give me the key to unlock you.

Time after time, and nothing has changed.
Time after time, and we're still the same.
Day after day, and nothing has changed.
And now I feel, like I'm gonna break.
'Cause I just cannot wait, to repeat yesterday.
To repeat yesterday.
To repeat yesterday.
To repeat yesterday,
That I'm gonna break,
'Cause I just cannot wait, to repeat yesterday!
