

# You Probably Couldn't See for the Lights But You W

## Arctic Monkeys

One look sends it coursing through the veins oh how the feeling races  
Back up to their brains to form expressions on there stupid faces  
They don't want to say hello  
Like I want to say hello  
Oh the heartbeats at its peak when you're coming up to speak And I'm so tense, never tenser  
Could all go a bit Frank Spencer?  
I'm talking gibberish, tip of the tongue but I can't deliver it  
...Properly, oh it's all getting on top of me  
And if it weren't this dark you'd see how red my face has gone Everybody's trying to crack the jokes and that to  
make you smile  
Those that claim that they're not showing off are drowning in denial  
They're not half as bad as me say anything and I'll agree  
When it comes to acting up, I'm sure I could write the book And now that you're more than a part in the play  
It's slightly easier to think what to say  
You had us all, standing on our heads  
Doing our best tricks Never again  
Never again, will there be another one that's as desirable as you  
One look sends it coursing through the veins oh how the feeling races  
Back up to their brains to form expressions on there stupid faces
