

# Three Pretenders

## Kansas

Three pretenders forced their entry  
There wasn't time to defend or attack  
Somewhere inside I held their fury  
But one by one my defenses began to crack  
The first became a voice from my childhood  
Without a world to call his own  
Asking questions but doubting the answers  
And too confused to stand up and face it alone  
I can feel my body tremble  
Like an animal under the gun  
Can you feel your body tremble?  
Look in and see the eyes of three pretenders, three pretenders  
The second came a shadowy hustler  
Selling anything not nailed to the ground  
He put a price on my resistance  
And if it's high, I know he'll be marking it down  
The third became a mysterious traveler  
Stormy words like sea-weathered sails  
His life was scarred with peaks and valleys  
A haunted kingdom crumbling against the gales  
I can feel my body tremble  
Like an animal under the gun  
Can you feel your body tremble?  
Look in and see the eyes of three pretenders  
I can feel my body tremble  
Like an animal under the gun  
Can you feel your body tremble?  
Look in and see the eyes of three pretenders  
I can feel my body tremble  
Like a child afraid of the dark  
Can you feel your body tremble?  
Look in and see the eyes of three pretenders, three pretenders
