

Search and Destroy

Thirty Seconds to Mars

Grab your gun
Time to go to hell
I'm no hero
Guilty as charged
Search and destroyFound my faith
Livin' in a cell
I'm not Jesus
But, neither are you, my friendI'm a whore
A boy for broken dreams
The simple answer is never what it seemsA million little pieces
We've broken in two
A million little pieces
I stole it from youSearch and destroy
Search and destroy
Woah, oh oh, woah
Search and destroy
Search and destroySo, I fall
From heaven into hell
Sick as my secrets
But never gonna tellLove to blame
The burden of my dreams
'Cause our faith is blessed, I believe
I believe, I believe
I believe
Oh, I believe
I believeSearch and destroy
Search and destroy
Woah, oh oh, woah
Search and destroy
Search and destroy
Search and destroyLet go
Let go
Let me go
Let me goLet go
Let go
Let me go(Search and destroy)
A million little pieces
A million little pieces
A million little pieces

A million little pieces
A million little pieces
A million little pieces
A million little pieces
Stolen from youWoah, oh oh, woah
Woah, oh oh, woah
Woah, oh oh, woah
Woah, oh oh, woahSearch and destroy
Search and destroyWoah, oh oh, woahSearch and destroy
Search and destroyA million little pieces
A million little pieces to start
