

Do You Want to Win?

The Impressions

Do you wanna win,
Where people can see,
Do you have the strength,
Well chile you've got show me This is the hour to be rough,
Now is the time to get tough,
We're here to see what you can do,
The world of judges eyes on you Do you wanna win,
Then here are the rules,
The weapons are love,
Without them you lose, you lose, you lose
And we wanna win
The peace sign weapons now we have,
For all across the land,
To win you must have peace so shortly
The world of judges eyes will see
And we wanna win
And we wanna win
And we wanna win The next choice of weapons fit
Is your love which could do the trick
To win you must have a good heart
Lovin' you brothers from the, very start Do you wanna win,
Where people can see,
Do you have the strength,
Well chile you've got show me
This is the hour to be rough
Now is the time to get tough
We're here to see what you can do
The world of judges eyes on you And we wanna win, we wanna win
And we wanna win, we're gonna win
We're gonna win, we're gonna win
Do you wanna win, we're gonna win
You gonna win, loves got ta win
You've got to win, you wanna win
Do you wanna win, you got ta win
Do you wanna win, we're gonna win
You gonna win, you gonna win
Loves got ta win, you got ta win
Do you wanna win, do you wanna win
You gonna win
