Sand

Ã†quorea

The sand is sifting by
I only know that I will die
And pay my taxes
The rest is touch and go
Wish I could just catch a glimpse
Of what's in store, I've wanted since
I can't recall, I never know what to do
Never had a clue
I feel the future
Don't tell me that you don't
Feel it slip away, slip away
Feel it slip away
The sand is sifting by
I only know that I will die
And pay my taxes
The rest is touch and go
Wish I could just catch a glimpse
Of what's in store, I've wanted since
I can't recall, I never know what to do
Never had a clue
I feel the future
Don't tell me that you don't
Feel it slip away, slip away
I feel the future
Don't tell me that you don't
Feel it slip away, feel it slip away
I feel the future
Don't tell me that you don't
Feel it slip away, feel it slip away
The sand is sifting by
I only know that I will die
And pay my taxes
The rest is touch and go
Wish I could just catch a glimpse
Of what's in store, I've wanted since
I can't recall, never know what to do
Never had a clue
