

# Six Blade Knife

## Dire Straits

Your six blade knife, do anything for you  
Anything you want it to  
One blade, breaking my heart  
One blade, tear me apart  
Your six blade knife, do anything for you You can take away my mind  
Like you take away the top of a tin  
When you come up from behind  
And lay it down cold on my skin Took a stone from my soul  
When I was lame  
Just so you could make me tame  
Yes, you take away my mind  
Like you take away the top of a tin I'd like to be free of it, baby  
I don't want it no more  
I'd like to be free of it now  
I don't want it no more Everybody got a knife  
It can be just what they want it to be  
A needle, a wife  
Something that you just can't see Six blade knife, you're strong  
Yes and it'll do me wrong  
Your six blade knife, do anything for you  
Do anything, anything, anything
