Mechanical Love

Bis

It's the mechanical love that you know I'm afraid of
I go through the motions, a drop in the oceans
I'm on autopilot with no way to hide it
We're meccanik dancing, no thoughts of romancing.
Uh+huh.It's the mechanical love you know I'm afraid of.It's the mechanical love that you know I'm afraid of
There's no inspiration in the flesh of the nation
I flick through the pages as society rages
I'm tired and I'm listless, how could I have missed this?Mechanical love, you know I'm afraid of
It's the mechanical.
