

welcome to the jungle (dirty f

Guns N' Roses

Welcome to the jungle we've got fun and games
We got everything you want honey, we know the names
We are the people that can find whatever you may need
If you got the money honey we got your disease In the jungle, welcome to the jungle
Watch it bring you to your knnn knne knees, knees
I want to watch you bleed Welcome to the jungle we take it day by day
If you want it you're gonna bleed but it's the price to pay
And you're a very sexy girl that's very hard to please
You can taste the bright lights but you won't get there for free
In the jungle welcome to the jungle
Feel my, my, my serpentine
Ooh, I want to hear you scream Welcome to the jungle it gets worse here every day
Ya learn to live like an animal in the jungle where we play
If you hunger for what you see you'll take it eventually
You can have everything you want but you better not take it from me In the jungle, welcome to the jungle
Watch it bring you to your knnn knne knees, knees
I want to watch you bleed And when you're high you never ever want to come down
So down, so down, so down, yeah You know where you are?
You're down in the jungle baby, you're gonna dieee
In the jungle welcome to the jungle
Watch it bring you to your knees, knees
In the jungle welcome to the jungle
Feel my, my, my serpentine
In the jungle welcome to the jungle
Watch it bring you to your knees, knees
In the jungle welcome to the jungle
Watch it bring you to you
Its gonna bring you down, ha!!
