Open Up

Dispatch

They were looking for me when I came to

They were looking for me when I came back

Said, "Hey you, you're looking very suspicious"

I said, "Relax man get off my back"

I said, "Relax man get off my back"I, I, I ain't opposed to seeking justice

But you're going about it all wrong

The man you're looking for does not exist

He's just a figment of the higher man's tongueAnd they say, "Open up we're coming inside

You can't run so you may as well hide

We got the place covered

From head to toe, head to toe""Open up we're coming inside

What's it feel like to know you're going to die

On the other side of the row

On the other side of the row?"So they took me down to the gallows

And this boy he said to me, "Why do you smile

When the rope's around your neck?"

I said, "I tell you boy when I get back"

I said, "I tell you boy when I get back"I, I, I ain't opposed to seeking justice

But you're going about it all wrong

The man you're looking for does not exist

He's just a figment of the higher man's tongue

He's just a victim of the higher man's tongueAnd they say, "Open up we're coming inside

You can't run so you may as well hide

We got the place covered

From head to toe, head to toe""Open up we're coming inside

What's it feel like to know you're going to die

On the other side of the row

On the other side of the row

On the other side of the row?"Hands above your head

Que le via bien

Step out of line we'll and fill you with lead

How are we to know that you're not a liarDon't you see when have a job to do

And our job is the law

You fit the description of a criminal crosser

We believe that he is you and that is your flaw

That is your flaw, that is your flaw, that is your flaw

That is your flaw, that is your flaw, that is your flawAnd they say, "Open up we're coming inside

You can't run so you may as well hide

We got the place covered

From head to toe, head to toe""Open up we're coming inside
What's it feel like to know you're going to die
On the other side of the row
On the other side of the row?"
