Heaven Help Me

Deon Estus

If you want it, you can have it
That's what you said
But I don't want the things that you leave behind
Take the pictures, take the windows and the walls
But, baby, won't you leave me my peace of mind?
Oh, such a waste of time
Oh, such a waste
I still want you, baby

Heaven help me, heaven help me
Talk to strangers, talk to strangers
Heaven help me
Over you
Help me over you
I can't seem to take these changes
Everything reminds my heart of you

Thought the first time was the last time
We'd be here forever
Now I find I'm having to search again
It'll happen
It's gotta happen
Come together
I just wish somebody would tell me when

Oh, such a waste of time
Oh, such a waste
I still want you, baby

Heaven help, heaven help
Heaven, heaven, heaven, help me
Heaven help, heaven help
Heaven, heaven, heaven, help me

You're someone else's lady
So sad without you, darlin'
The gods of love can't help me now
Heaven help, heaven help
Heaven, heaven, heaven, help me
